The 1964 Rocket wishes to congratulate the Lauramie High School Baseball Team for an outstanding season. Through the workmanship of the team and through the guidance of skillful coaching, Mr. Harold May brought the team through a fine season and County Championship.

To become County Champs, Lauramie defeated Battle Ground, Montmorenci and Dayton in the County Baseball Tourney. They compiled a fine season record of 8 - 5.

Honorary mention goes to two graduates of Lauramie, Evert Bible and Jerry Wheeler, who helped to secure these victories.

Congratulations, boys, for the team work and success.

The End

Phyl,

I'm writing this in the car and Nance is driving - so excuse the scribbling. Well, here it is the end of our 12 year "fun-filled" struggle! No kidding as Becky says "We've had a hell of a good time - but it sure has been worth it! Remember all our wild slumber parties, excursions to "Dayton" and Lafayette, and of course the lake last summer. Well, even if they are in the past we've got this summer to live it up and make even greater memories.

The Stockwell gang has given everyone quite a bit to discuss, and they only know half of it? Huh!

Best of luck always in whatever you do and also with all the Bakup's - Know what I mean.

I've really enjoyed being able to be friends with you all these years, especially the past 3 years. As I said before, we've all got plenty of good & pleasant memories to look back on in the coming years. I know we'll always be friends and I hope you have the best of everything in life - you deserve it. Be good, but have alot of fun while you're doing it.

Friend always,
Phyl Hege

P.S. I forgot to mention our times of sleeping out, sneaking around, & getting grounded. It seems unbelievable all we've done in 12 years.

Phyl,

Remember all the great times we had together last year as the dirty ½ dozen. Boy, did we cause some trouble. Going to town, drive-ins, pollinating, riding around in Hege's old truck, hassling the parents out chasing us and many, many more unmentionable incidents & most of all don't forget the blast we had at the lake, including all the guys we met. Good luck in whatever goal you may choose & Stay Sweet.

Love ya,

Phyl,

Phyl, Remember all the great times we had at the library. Boy, wait to until next P.E., I'm going to sign up for library so that is it a certain boy is in the study hall that hour! Have fun at the Prom tonight! May God Bless you and be good if you possibly can! Bye!

Love ya,
Karen

Phyl, We have had some good times together & have just as many in the future but as things are going now, it seems as if I'm not as close to you as I was last summer. I don't know what happened, but I hope, if anything is wrong, that it can be cleared up pretty soon. Lots of luck to you & may you succeed in everything. A friend,
Reba

(P.R.)

Phyllis,

Twelve years ago we took the first step towards this year. Who would ever believe that this time would actually arrive? Well it did, and here we are "SENIORS." I can hardly believe that our graduation is this near. On Tuesday night at 8:00 P.M, May 19, 1964 we will all be attired in our caps and gowns and be receiving our diploma's. I always thought that this would be the best day of my life, but as it nears I am becoming frightened and bewildered. It is hard to tell what the future will hold for us. We have been two of the very few people who have gone together for all <u>twelve</u> years. We have shared many rare, exciting, threating, joyous, dangerous, and enjoyable times together in these past "12" years. There are only nine of us graduating who have had the privilege to attend school together for all <u>twelve</u> years.

These past twelve years have not been entirely easy and always a lot of fun. We have had our bad times along with the good. Last summer was the most fun-packed summer any teenager could ask for. It was just great. I only wish that we could spend another summer in the same fashion. Now we will all get jobs or goon to school. We will all go our separate ways, some of us will never see each other again, or if we do it may be many years from now. I hope that we will be able to keep in touch through the years to come. Our friendship has meant to much to just separate and forget about!

Our senior year and our "Senior Trip" are two things I shall never forget. In our senior year it seems relationships have become closer. The newspaper staff and the annual have been big headaches, yet what would we do without them. I will never forget the day we got our annuals and the party that night (FIRE CRACKERS!!!)

Also don't forget the "dirty half dozen". This gang had more <u>CLEAN</u> fun than any other group I know of. We went to Lafayette every night. One or the other of us always seemed to have a car. It has been great fun. I only wish we could keep on having the times we have had. Remember this summer when we pollinated and rode in the back of that old red truck of Hegi's? Who but us would pull a stunt like that? Also all those frequent trips to Dayton. I will never forget the night we painted the struts! These times will never be the same. This summer, things may go as before, but, next fall when some of our classmates start to college, things will change.

Phyllis, I want you to know, (even though I acted indifferent at times) that your friendship has meant much to me these past "12" years. We have had "MUCH" MUCH" fun together, and I hope we shall always remain friends. "Bless you" and may you succeed in whatever you choose to do. A friend always and always have been, remember? (130?-?-?). Nancy B.
